

Instantly and permanently absorbs any spill!

JAXX ZORB™

The Original XXTREME Absorbent, brought to you by JAXX USA™

Simply sprinkle it on, sweep it up, and the spill is gone!

- Fully absorbs and encapsulates Acids, Caustics, Fuels, Oils, Solvents, Mercury Spills, Bodily Fluids and so much more!
- Fast acting; absorbs immediately to lessen exposure time, no need to wait
- Easy to use: simply sprinkle, sweep and dispose
- Non-hazardous, Non-toxic, Non-carcinogenic
- Naturally derived; no synthetic fillers means no liquid residue
- Absorbs over 600% of its own weight in most liquid spills
- Highly concentrated; a little bit goes a long way

When time is money, trust JAXX ZORB™ to get your spill cleaned up quickly!

Meets and exceeds EPA 20-year leachate protocols!

Absorbs 16 times more than clay-type adsorbents!
